

SOLVANG ASA

MARINE SUPERINTENDENT

Solvang is a Norwegian shipping company headquartered in Stavanger, with offices also in Oslo, Riga and Manila. We own a fleet of 29 gas carriers where 6 new vessels were delivered during this year and one more will be completed early 2027.

Through dedicated R&D, we are pioneering zero-emission technology.

Our aim is to be an industry-leading provider of LPG, ammonia and petrochemical tonnage, delivered safely, cleanly and cost-efficiently.

We now look to strengthen our team with a new colleague in the Maritime Department. Startup for employment will be early 2027 depending on applicants' availability.

Key Responsibilities

- Provide marine support and guidance to vessels and shipboard management.
- Monitor and promote compliance with international regulations, industry standards, and company procedures.
- Conduct vessel visits, inspections, audits, and incident investigations as required.
- Support vetting preparations and follow-up of oil major inspections.
- Monitor navigational safety, cargo operations, and operational performance.
- Assist in emergency response and crisis management activities.
- Review and implement lessons learned from incidents, audits, and inspections.
- Liaise with Masters, shore management, charterers, classification societies, and regulatory authorities.
- Participate in continuous improvement initiatives across the fleet.

Preferred qualifications

- Master Mariner Certificate of Competency.
- Experience from Gas Tankers
- Previous shore-based experience as Marine Superintendent, Vetting Superintendent, or similar position is desirable.
- Knowledge of ISM, ISPS, SOLAS, MARPOL, SIRE 2.0, and industry best practices.
- Excellent communication and stakeholder management skills.
- Ability to work independently and as part of a multidisciplinary team.
- Fluent in English, both written and spoken.
- Other relevant education and experience can compensate for some of the preferred qualifications.

Personal Attributes

- Safety-focused and quality-driven.
- Structured and analytical.
- Proactive and solution oriented.
- Strong interpersonal and leadership skills.
- Comfortable working in a fast-paced and international environment.
